

THE AUSTIN CHILDREN'S CHOIR

2011-2012 Season Sponsorship Opportunities

BECOMING A SEASON SPONSOR

Thank you for considering sponsorship of the Austin Children's Choir! The choir is a 501 (c)3 non-profit organization and has a 25-year history of musical excellence and community service in the Austin area. ACC provides practical, professional choral training for talented children ages 6 to 18 and performs a varied repertoire in an array of venues across the city and elsewhere.

As ambassadors for Austin, the choir regularly performs for free at civic events and in tourist venues, including City Hall, the Carver Museum, the Texas State Capitol, and the Chamber of Commerce. Our children also provide talent for benefits and sporting events, in addition to their regularly scheduled season performances.

The Austin Children's Choir audience includes families throughout the Austin metro area, tourists, and art patrons. The choir occasionally performs with other groups such as the Austin Civic Chorus, broadening its reach.

Your support of the choir enables us to:

- Keep tuition low to ensure broad access to high-quality instruction
- Offer scholarships to talented children with economic hardships
- Purchase a wide variety of classical, popular, and ethnic music to provide cultural enrichment to Austin audiences
- Present several free performances a year

Special needs for the 2011-2012 season include:

- Recording equipment to create practice CDs and capture performances
- New instruments, including African drums
- A regular accompanist and guest musicians
